

PRODUCT USE GUIDE FOR

LIFT ORIGINAL MULTIPURPOSE CLEANER

D21

Product Description

The original Lift formulation for the professional who cleans a multitude of surfaces. Fresh pine fragrance. Ready to use but can be diluted up to 1:40. Use for floors, walls, ceramics, plastics, vinyl, marble and stainless steel. 5L refill pack available for maximum economy.

Product Features

- A powerful cleaner/degreaser ideal for removing greasy soiling such as body fats, from baths, showers and wash basins and for cleaning gloss paintwork, tiled surfaces and light fittings.
- Best used through the Cleenol trigger system.
- Due to its pine fragrance, do not use in food preparation, storage areas or surfaces that may come into contact with food.

Direction for Use

- For general hard surface cleaning: Can be used neat or diluted up to 1:40, depending upon the degree of soiling.
- For spray application: Spray on to a clean damp cloth. Wipe over the surface to remove soil.
- For floor cleaning: Dilute with up to 20 times its own volume of hot water. Wash floors using clean mop, then rinse with clean water, allow to dry. Rinse mop.
- **Warning – do not use on PVC.**

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

Environmental

- Do not allow large quantities of neat liquid to enter surface waterways.
- This product uses recyclable packaging. The detergents used in the formulation are biodegradable to EU guidelines under the detergents regulations (EC) No 648/2004.
- It contains no Phosphates.
- None of the components of this product are animal derived.
